A whimsical illustration of a village scene. In the foreground, there's a small pond with lily pads and a red bench. To the left, a small wooden house with a thatched roof sits on a grassy hill. In the background, a large, green, tent-like structure with a small figure on top dominates the landscape. A steam train is visible on the right, moving through the fields. The sky is a vibrant orange and yellow, suggesting a sunset or sunrise. A small boat is visible in the upper left corner.
